Start here for your technology opportunities

We've expanded our Technology Office appetite in Select Accounts to include a wider scope of business opportunities for our agents with broader coverages available for your clients.

New business classes available: Internet Service Providers (ISPs) and Telecommunication Services

Increased eligibility for more complex technology risk exposures: *Technology Pac Plus*SM now available

CyberFirst Essentials[®]: Our cyber coverage suite has expanded to include *Technology* and *Technology Plus* which incorporate critical coverages for your client's business such as:

- Errors & Omissions (E&O)
- Information Security Liability
- Crisis Management and Technology Breach Essentials

CyberFirst Essentials Suite not available in AK, FL, HI, MA, NY or VT.

New endorsement offering popular coverages such as:

- Business income and extra expense (BIEE) at client or virtual office premises
- Dependent properties worldwide
- Electronic data processing (EDP) is included up to the business personal property limit
- Interruption of computer operations

These opportunities can be quoted efficiently with 2nd Gen TravelersExpress[®] for Master PacSM, bundling the key coverages your clients need most

Why now? Why Travelers?

Technology business is leading the U.S. economy with three times the growth of other private sector industries*; now is the ideal time to incorporate these opportunities into your book of business. Travelers has 30 years of experience to guide you in understanding what these companies need. Our knowledgeable underwriting and sales teams are ready to help you anticipate this niche market and meet your clients coverage needs. Travelers has the solution for clients that are startups to those with larger complex exposures.

Technology Office Segment Expansion not currently available in FL.

Superior services you can trust

Travelers is known for stellar support when it comes to our claims services, but did you know that our Business Torts claim group is dedicated to technology industry specialty claims so your clients have expert support when they need it most? Plus, our risk control services are available through riskcontrol.com and our Risk Control Portal to help your clients prevent a claim from ever happening. Give your clients peace of mind with a carrier that has the knowledge, expertise and support system they need for their specialized technology office; give your clients a Travelers insurance policy.

It's better under the umbrella[®]
